**Kaptur Statement on Conversation with President Zelenskyy**

*Washington, D.C. – Today, Congresswoman Marcy Kaptur (OH-09)– Co-Chair of the bipartisan Congressional Ukraine Caucus – released the following statement after speaking virtually with Ukrainian President Volodymyr Zelenskyy.*

“Members of the House and Senate had the privilege of hearing directly from President Volodymyr Zelenskyy as Ukraine confronts Vladimir Putin and his butchering of innocent men, women, and children,” **said Rep. Kaptur**. “The Ukrainian military and people are demonstrating raw courage in the face of Putin’s brutal onslaught. As Co-Chair of the Congressional Ukraine Caucus, I will do everything in my power to support Ukraine in its battle against tyranny. From lethal weaponry and planes to vital humanitarian aid – the Free World must deliver for Ukraine in its time of need. The United States Congress has always been a friend and partner to Ukraine, and we must work together now as Liberty’s resilience is tested by Putin’s murderous wrath.”
