

AMERICAN EDUCATION IN UKRAINE

American University Kyiv

— the first American university in Ukraine offering American educational excellence for global-thinking students.

It was opened during the intensification of the war in 2022, and the campus opened in May 2023. Students study in a hybrid format, they can attend any class offline or connect online.

In the summer of 2024, AUK launched the Global Internship Program, which includes a full-fledged career center, internships, and student employment.

OUR PARTNERS

JOSEPH LOHRER

Head of U.S. Retail Sales for
Blackstone Private Wealth
Solutions

“ The Global Internship Program gave us the opportunity to bring talented AUK students to our company for a multi-week internship in New York City. The impactful program allowed the students to further their professional growth while also educating our colleagues on Ukraine and its culture. Their fresh outlook added a profound element to their time in our NYC office ”

MICHAEL KENNEDY

CEO of Doka USA

“ We were completely impressed by the level of talent, work ethic, motivation, and professionalism from each of these students, they didn't just complete tasks, they took the initiative, asked insightful questions, and contributed valuable ideas that had a real impact on our business. Their dedication and fresh perspectives reminded us of the importance of investing in the next generation of professionals ”

YURIY OSTAPYAK

COO of Logistics Plus, Inc.

“ Since joining our government relations and international logistics teams in August, our AUK interns have brought fresh energy and perspectives that have enriched our operations. They have been a great addition to our company culture, and we're excited to support their growth through the AUK internship program ”
